

St. Teresa of Calcutta Catholic School Tuition Assistance Request Form

St. Teresa of Calcutta Catholic School strives to make Catholic education available to all students who desire it. Therefore, in addition to assistance from other sources, St. Teresa provides some local tuition assistance awards to families who demonstrate financial need.

We believe that Catholic education is a tremendous gift to give to your children, and its rewards are many. It is expected that families make Catholic education a priority in their financial planning to provide this opportunity. Nonetheless, it can create financial struggles for families.

If you feel your STO tuition assistance award is inadequate to allow you to afford to attend St. Teresa of Calcutta Catholic School for the 2023-2024 school year, please complete the following confidential form and submit it to the principal by August 12, 2023. The request will be reviewed by the administration. You will be notified of our decision by August 18, 2023. Please note there is no appeal of the STO award level.
